RE: Resignation immediately from TLOA Board President and TLOA Board

Dear Board;

Thank you for allowing me to serve in such a prestigious position during the past months, I have enjoyed my time spent with each of you on this journey to make positive changes in our endeavors to bring transformation to the way we have conducted business.

Due to my new assignments with my employer I can no longer dedicate time necessary to fulfill the demands of this position, and I will not be assigned a position with responsibility and not be able to accomplish the assignment.

I have been surrounded and supported with a very competent TEAM and I appreciate each of you and your contributions to make to this board a success.

I apologize for this short notice; however it is necessary as I will be in my new area Tuesday and will not be available until after 8 p.m.

God be with each of you.

Sincerely;

John C Yager Jr
